

Bridging the gap between Testing & Quality Testing

ABOUT **EIE INSTRUMENTS**

EIE Instruments are leading manufacturer and exporter of versatile range of Laboratory Testing Instruments based in Ahmedabad, Gujarat, India.

Our Presence

We have a significant presence in India and across approximately 35 countries worldwide. This extensive reach allows us to connect with diverse markets and communities.

Our Rich Experience

We have experience of over 45 years and the expertise gained over the period of time have helped us in excelling and expanding our client base across the nation as well as across the globe.

National & International Quality Standards

EIE's all testing products abide to relevant national & international standards IS, ASTM, DIN, BS, ISO which help us in fetching faith and confidence of our global clients.

Evolving Together...

Innovating Forever...

OUR **VISION**

Vision rules our organization. A framework, a supreme code of conduct cherishes us every day to serve the world better. EIE Instruments envisages itself as an emerging organisation standing ahead of the competition through its marketing and manufacturing of the advanced laboratory equipments.

OUR **MISSION**

EIE Instruments is the leading manufacturer of laboratory and testing equipment. The mission of EIE Instruments is to provide user friendly, simplified, technologically advanced, reliable & robust instrumentation/automation to global customers backed by efficient services.

OUR VALUES

QUALITY

Commitment to delivering high-quality products or services that meet or exceed customer expectations.

• • • •

INNOVATION

Continuously introducing new and creative solutions to meet evolving market needs.

• • • •

VALUE FOR MONEY

Offering products or services that provide good value for the cost to the customers.

• • • •

SUSTAINABILITY

Implementing environmentally friendly practices & contributing to sustainable development.

• • • •

CUSTOMER SERVICE

Providing exceptional customer support and fostering positive relationships with clients.

• • •

INTEGRITY

Maintaining honesty, transparency and ethical behavior in all business dealings.

• • • •

RELIABILITY

Ensuring consistent performance and dependability in all aspects of the business.

• • •

TEAMWORK

Fostering a collaborative and supportive work environment where all employees can thrive.

• • • •

LOCATION OF MANUFACTURING/ INFRASTRUCTURE

OUR WORKSHOP FACILITIES

Electrical Installations:

- D.G. Set 500 kVA
- Precision PMW Line Conditioner
- 500 kVA Oil CSS with OLTC
- 11/12 KV 630 Amp Load Break

Paint Facilities:

- Paint Booth with Single Blower Burner
- Air Compressor

Material Handling:

- Lift HG Plus 3 Double Mask Hydraulic Goods Lift-4 Nos.
- Single Girder Monorail Crane (3 Ton)
- Overhead Crane

Machineries:

- ACE Slant bed CNC Lathe Super Jobber 500
- CNC Hydraulics Press Brake
- Bodor CNC Fiber Laser Cutting Machine
- ACE Slant bed CNC Lathe Super Jobber 500 LM
- VMC Machine, V 1166 with M 80 B
- Lathe Machine - 12 Nos.
- Drilling Machine - 5 Nos.
- Bending Press Machine - 4 Nos.
- Cutting Machine (Hexo, Benzo, Laser, CNC, VMC, Hydraulic)
- Welding Machine - 9 Nos.
- Air Compressor for CNC
- Roller Machine

OUR **QUALITY ASSURANCE**

Our Own NABL Calibration Accreditation Lab:

We have established a remarkable position in the market owing to the quality of our products. To ensure high and consistent standards in our range, we have Design Quality, Assurance Department and Calibration Lab, which is managed by our quality control specialists. The unit is equipped with state of the-art tools, gadgets and instruments to ensure accuracy and reliability in the products.

Our Quality Assurance Certificate:

All our products undergo various quality tests to ensure that they are in compliance with the norms and standards set by the industry. Also, our quality Control specialists keep their stringent eye on entire stage of production to dispatching process so as to deliver quality range approved by ISO 9001:2015 & 9001:2000 certified standards.

Comprehensive Bulk & Advance Instrumentation Solutions:

Our advanced machinery allows us to efficiently fulfil bulk orders within the stipulated time frame. Additionally, our manufacturing unit is fully equipped to handle a wide range of instrumentation tasks, meeting the diverse needs of various industries. Our operations are supported by a dedicated team of trained and experienced service engineers, alongside a professional marketing staff, ensuring seamless and high-quality service delivery.

PROMOTERS

EXPERIENCE & EXPERTISE

With the focus on offering the best returns to valued customers, we at **EIE Instruments Pvt. Ltd.**, have been optimizing the use of our cumulative experiences. This journey was started by our honorable founder, **Mr. Vimal C. Parikh**, in the year of 1977. His understanding and in-depth knowledge of market dynamics have helped the organization to gain its present status and position in the global market and to earn a loyal clientele.

We started our business as a marketing organization, which helped us in establishing close interaction with numerous customers. Later, we entered into the most challenging manufacturing field and our valuable experience in the marketing sector helped us to carve a niche for ourselves in the industry.

Calibration facilities are also given the highest priority in our organization. We also hold excellent technical know-how to calibrate different calibration parameters such as temperature, pressure, mass, dimension and force. Our Calibration lab is one of its kind in the entire industry. **EIE** calibration lab is equipped with world class master calibrators procured from reputed companies in the world, such as FLUKE, AMETEK, MASIBUS, MITUTOYO etc.

OWNERS & FOUNDERS

Mr. DEEPAK PARIKH

A Foundation pillar and Board of Director. A thought-provoking mentor, Effective communicator and an Active Listener. Holds experience of over 40 years in sales & marketing. His business acumen and skillful administration has helped EIE to become leading supplier of Laboratory Testing Instruments in the domestic market as well as across the globe.

Mr. SANJAY PARIKH

A prominent founder and a Board of Director. A Passionate, Motivating & an Empathetic Leader. His abilities of Quick decision making and Problem-solving nature has established EIE to be a respected name among its esteemed customers & vendors. His dynamic experience & comprehensive knowledge have assisted EIE to excel its business throughout the country.

Mr. UDAY PARIKH

A co-founder and Board of Director. An enthusiastic & energetic leader who inspires team to strive for excellence while encouraging work life balance & personal growth. Holds experience of over 20 years in human resource management & a proven track record of collaborating with national government has, he has been instrumental in establishing EIE as revered name in the government department across the country.

CEO

Mr. KUNAL PARIKH

A young, optimistic and dynamic CEO & Board of Director. Holds Master degree in Science & Technology. His rich industrial experience of 12 years, innovative vision & relentless curiosities have driven the conception and development of ground breaking products, significantly fuelling the organization's growth and success. With a contagious smile & open-door policy, he always fosters a work environment that prioritizes employee well-being and happiness. His zeal and zest to thrive has fostered a way for EIE to be a well-reputed name across the globe.

Mr. CHINTAN PARIKH

A Young, Proactive and Decisive CEO with a unique blend of commercial background and technical mindset has revolutionized the production of world-class laboratory testing instruments at EIE. His profound industrial experience of over 12 years & expertise in general administration has contributed majorly to create EIE's urban infrastructure & employee-centric work environment. Under his guidance & leadership, EIE is experiencing unprecedented growth and success, soaring to new heights.

Mr. TEJAS PARIKH

A Young, confident and focused CEO with expertise in general administration has helped EIE to expand its horizon across the nation and across the globe. His innovative business policies and strategies have been instrumental in establishing a strong foundation for the company, yielding unprecedented stability and significant surge in business turnover. With over 8 years of industrial experience, he has been the catalyst of EIE's remarkable growth, propelling the organization to new heights of excellence.

OUR **MILESTONES**

1977

Humble beginnings as a trading firm specializing in Civil Engineering laboratory testing instruments

1983

Dedicated service department established to provide efficient and reliable after-sales support to valued customers

1985

We launched an in-house workshop for quality control and after-sales services, marking the start of manufacturing under our brand

2000

Corporate office established in the city center, solidifying our presence

2007

State-of-the-art Manufacturing Facility Inaugurated At Kathwada, Ahmedabad, Spanning 27,000 Square Feet

2012

Dedicated team established to expand product portfolio to include Pharmaceutical laboratory testing instruments

2014

India's first NABL-accredited calibration laboratory set up, conforming to IEC/ISO 17025 standards

2017

Expanded product line to include Petroleum laboratory testing instruments

2022

Technologically largest & advanced manufacturing plant established at Kubadthal, Ahmedabad, covering 99,000 square feet

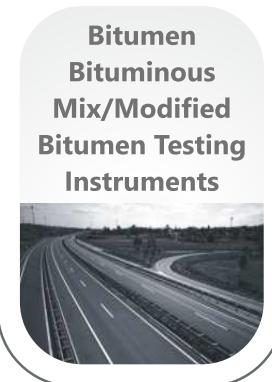

OUR RANGE OF QUALITY **TESTING INSTRUMENTS**

We are engaged in offering a wide range of sturdy, elegant and reliable range of testing and measuring laboratory instruments. These instruments are manufactured using high grade material that are sourced from reliable vendors of market.
